## **Management Discussion and Analysis Report**

The key issues of the Management Discussion and Analysis are given below.

### **1. Global Outlook:**

Russia's invasion of Ukraine and its effects on commodity markets, supply chains, inflation, and financial conditions have steepened the slowdown in global growth. One key risk to the outlook is the possibility of high global inflation accompanied by tepid growth. Eventually, this resulted in a sharp tightening of monetary policy in advanced economies, and lead to financial stress in some emerging markets and developing economies. A forceful and wide-ranging policy response will be required to boost growth, bolster macroeconomic frameworks, reduce financial vulnerabilities, and support vulnerable groups.

The world is facing a COVID-19 pandemic outbreak with an unprecedented and enormous impact on the lives of humankind. As the Omicron COVID-19 variant spreads, it forced countries to reimpose mobility restrictions. The economic engine has suffered a big blow in economic and financial performance in all the regions. The pandemic affected the services, manufacturing, trade, supply chain, and particularly the small businesses, which disrupted all the economic indicators, forecasts, and growth patterns. Rising energy prices and supply disruptions have resulted in higher and more broad-based inflation than anticipated.

As advanced economies lift policy rates, risks to financial stability and emerging market and developing economies, capital flows, currencies, and fiscal position especially with debt levels have increased significantly in the past two years may emerge.

Meanwhile, India is among the most affected countries, along with Brazil and the USA. The lockdown strategy in India had resulted in a significant drop in domestic consumption and investment, as well as a drop in business and vacation travel, supply-side production and trade disruptions, and demand-side shocks impacting trade and production linkages.

Global growth is projected to slowdown from an estimated 6.1 percent in 2021 to 3.6 percent in 2022 and 2023. Beyond 2023, global growth is forecast to decline to about 3.3 percent over the medium term. Crucially, this forecast assumes that the conflict remains confined to Ukraine, further sanctions on Russia exempt the energy sector, and the pandemics health and economic impacts abate throughout 2022.

Moreover, the war in Ukraine has increased the probability of wider social tensions. Inflation is expected to remain elevated for longer than in the previous forecast, driven by war-induced commodity price increases and broadening price pressures.

The global textile market was pegged at the US \$654.7 billion in 2021 and expected to reach USD 821.87 billion, growing at a CAGR of 6% during the forecasted period. The growth is attributed to the companies repositioning their operations and reviving from the COVID-19 impact, which had earlier led to limiting containment measures like social distancing, remote working, and the shutdown of commercial activities inducing operational challenges.

By 2022, Inflation is projected at 5.7 percent in advanced economies and 8.7 percent in emerging market and developing economies.

### 2. **Textile Industry & Market Growth in India:**

The textile industry is one of the oldest business options in India since the ancient age and the second largest employer in India.

India is the world's second-largest producer of textiles and garments. Both skilled laborers and unskilled officials are needed to run this business smoothly. The products of the **Indian textile** industry with traditional designs and textures are very popular all over the world. The Indian textile and apparel industry is highly diversified with a wide range of segments ranging from products of traditional handloom, handicrafts, wool, and silk products to the organized textile industry in India. The organized textile industry in India is characterized by the use of capital-intensive technology for the mass production of textile products and includes spinning, weaving, processing, and apparel manufacturing.

#### **Market Size**

India's textiles industry has around 4.5 crore employed workers including 35.22 lakh handloom workers across the country.

The Indian textile and apparel industry is expected to grow at a 10% CAGR from 2019-20 to reach US\$ 190 billion by 2025-26.

India is the world's largest producer of cotton. Estimated production stood at 362.18 lakh bales during cotton season 2021-22. Domestic consumption for the 2021-22 cotton season is estimated to be at 338 lakh bales.

The textiles and apparel industry contributes 2.3% to the country's GDP, 13% to industrial production, and 12% to exports.

India's textile and apparel exports (including handicrafts) stood at US\$ 44.4 billion in FY22, a 41% increase YoY. Exports of readymade garments including cotton accessories stood at US\$ 6.19 billion in FY22.

## 4<sup>th</sup> Annual Report

Further, the Indian Textile and Apparel Market reached a value of US\$ 151.2 Billion in 2021. The market is expected to reach US\$ 344.1 Billion by 2027, CAGR of 14.8% during 2022-2027.

### **Investment**

The textile sector has witnessed a spurt in investment during the last five years. The industry (including dyed and printed) attracted Foreign Direct Investment (FDI) worth US\$ 3.99 billion from April 2000-March 2022.

- In November 2021, Federico Salas, the Mexican Ambassador to India, visited the Khadi India Pavilion at the India International Trade Fair 2021 and suggested that India and Mexico should come together to promote Khadi globally.
- Companies in home textiles are using technology to optimize the value chain. For example, in October 2021, Welspun India introduced Wel-Trak 2.0—an upgraded, patented end-to-end traceability technology—to track textile raw materials throughout the supply chain.
- Home textile companies in India are also leveraging strategic partnerships to strengthen their business operations and foothold in the country.
- In October 2021, Welspun India collaborated with DuPont Biomaterials to introduce a home textile range and strengthen the Company's sustainable textile business.
- In May 2021, Indo Count Industries Ltd. (ICIL) announced an investment of Rs. 200 crore (US\$ 26.9 million) to expand its production capacity.

### **Government Initiatives**

The Indian Government has come up with several export promotion policies for the textile sector. It has also allowed 100% FDI in the sector under the automatic route.

Initiatives taken by the Government of India are:

- In March 2022, the Ministry of Textiles, in collaboration with the Confederation of Indian Industries (CII), organized a day-long International Conference on Technical Textiles with the theme: Creating the Winning Leap in Technical Textiles.
- The Government of India has earmarked a corpus of Rs. 1,000 crore (US\$ 127.72 million) dedicated to research and development of the technical textiles sector.

## 4<sup>th</sup> Annual Report

- In March 2022, the Bihar government submitted a proposal to the Ministry of Textiles to set up a mega hub under the PM Mitra Mega Textile Park.
- In March 2022, Tamil Nadu Chief Minister Mr. MK Stalin announced that the State Industries Promotion Corporation of Tamil Nadu Ltd (SIPCOT) will set up a mega textile park in the Virudhunagar district.
- Under the Union Budget 2022-23, the total allocation for the textile sector was Rs. 12,382 crore (US\$ 1.62 billion). Out of this, Rs.133.83 crore (US\$ 17.5 million) is for the Textile Cluster Development Scheme, Rs. 100 crore (US\$ 13.07 million) for the National Technical Textiles Mission, and Rs. 15 crore (US\$ 1.96 million) each for PM Mega Integrated Textile Region and Apparel parks scheme and the PLI Scheme.
- For the export of handloom products globally, the Handloom Export Promotion Council (HEPC) is participating in various international fairs/events with handloom exporters/weavers to sell their handloom products in the international markets under NHDP.
- The Ministry of Textiles has also been implementing the Handloom Marketing Assistance (HMA), a component of the National Handloom Development Programme (NHDP) all across India. HMA provides a marketing platform to the handloom weavers/agencies to sell their products directly to the consumers and develop and promote the marketing channel through organizing expos/events in domestic as well as export markets.
- In November 2021, Minister of Textiles, Commerce, and Industry, Consumer Affairs & Food and Public Distribution, Mr. Piyush Goyal, stated the desire to target a 3-5x time increase in the export of technical textiles worth US\$ 10 billion over the next three years.
- The Indian government has notified uniform goods and services tax rate of 12% on man-made fabrics (MMF), MMF yarns, MMF fabrics, and apparel, which came into effect from January 1, 2022.
- Minister of Textiles, Commerce, and Industry, Consumer Affairs & Food and Public Distribution, Mr. Piyush Goyal, announced a mega handloom cluster in Manipur and a handloom and handicraft village at Moirang in Bishnupur. The mega cluster will be set up at an estimated cost of Rs. 30 crore (US\$ 4.03 million) under the National Handloom Development Programme (NHDP).
- In October 2021, Minister for Commerce and Industry, Textiles, Consumer Affairs, Food & Public Distribution, Mr. Piyush Goyal, announced the

creation of 100 textile machinery champions in the country, and to promote them in the global market. Through this, the government aims to make India a global player in textiles machinery.

- In October 2021, the Ministry of Textiles approved the continuation of the comprehensive handicrafts cluster development scheme with a total outlay of Rs. 160 crore (US\$ 21.39 million). Through this scheme, the government aims to support domestic SMEs and local artisans.
- In October 2021, the government introduced SAMARTH training at 75 training centers across the country, to accelerate the scheme's coverage among artisans.
- The government allocated funds worth Rs. 17,822 crore (US\$ 2.38 billion) between FY16-22 for the 'Amended Technology Up-gradation Fund Scheme' (A-TUFS), to boost the Indian textile industry and enable ease of doing business.
- To boost man-made fibre exports, the Government removed the anti-dumping duty on Purified Terephthalic Acid, Viscose Staple Fibre and Acrylic. The Government permitted the extension of RoSCTL scheme up to March 2024 to improve export competitiveness related to Indian apparel and made-ups.
- The Government approved the setting up of Seven Pradhan Mantri Mega Integrated Textile Region and Apparel (PM MITRA) parks in greenfield/brownfield sites with an outlay of H4,445 crores for seven years up to 2027- 28. These parks will enable the textile industry to become globally competitive, attract large investment and boost employment generation.
- The Government approved Production Linked Incentive (PLI) Scheme for Textiles, with an approved outlay of H10,683 crore to promote production of MMF apparel, MMF fabrics and Technical Textiles.
- The Government allocated an outlay of H1000 Crores for advance research and innovation in technical textiles at par with the best in the world. Research topics in 94 categories (fibres and composites, geo textiles, agro textiles, protective textiles, medical textiles, defence textiles, sports textiles, and environmentally friendly/ biodegradable technical textiles) were identified and research proposals invited.

The government is implementing various schemes (Amended Technology Upgradation Fund Scheme, Schemes for the development of the Powerloom Sector, Scheme for Integrated Textile Parks, SAMARTH- The Scheme for Capacity Building in Textile Sector, Jute (ICARE- Improved Cultivation Financial Statements

| 75 and Advanced Retting Exercise), Integrated Processing Development Scheme (IPDS), Silk Samagra, National Handloom Development Programme, National Handicraft Development Programme, Integrated Wool Development Programme (IWDP), etc.) catering exclusively for the promotion and development of textile sector on a pan-India basis.

### **Achievements**

Following are the achievements of the Government in the past four years:

- In April 2022, Minister of Commerce and Industry, Consumer Affairs, Food and Public Distribution and Textiles, Mr. Piyush Goyal, said that new Economic Cooperation and Trade Agreements with Australia and the UAE would open infinite opportunities for textiles and handloom. Indian textile exports to Australia and the UAE would now face zero duties, and he expressed confidence that soon Europe, Canada, the UK and GCC countries would also welcome Indian textile exports at zero duty.
- The Khadi and Village Industries Commission (KVIC) achieved turnover of Rs. 1.15 lakh crore (US\$ 14.68 billion) in FY22, a growth of 20.54% YoY, and more than any Indian FMCG Company managed in FY22.
- In CY20, the Cotton Corporation of India made a record procurement of 151 lakh bales under MSP operations, which is 290% higher than the 38.43 lakh bales procured during the corresponding period last year.
- Under the Scheme for Integrated Textile Parks (SITP), 59 textile parks were sanctioned, out of which, 22 have been completed.
- Employment increased to 45 million in FY19 from 8.03 in FY15.
- Sangam India Ltd, one of the foremost producers in PV dyed yarn, cotton and OE yarn and also ready to stitch fabric, has installed two solar power plants of 5 MW that on average helps them to bring down their carbon footprint by at least 20% per annum. SIL also plans to increase the use of recycled fibre, leading to lesser consumption of plastic waste by using it as a raw material.

### **Road Ahead**

India is working on major initiatives to boost its technical textile industry. There is tough competition from China, Bangladesh, Pakistan, and Vietnam for exporting textile products in the global market. However, the Indian textile industry still manages for a comeback even after the decline of the business in 2020 – 21.

All garment manufacturing units are returning to the normal state though at a slow pace at present. The **Indian textile** industry is aiming to export products

worth \$40 to \$100 billion within 2027. These garment units are fast expanding in size and investments, to meet the bulk orders pouring in from various foreign countries in the west. The promotion of this industry through several government schemes has been the greatest in the last three decades. The apparel industry is progressing fast with the manufacturing of more varieties of products. This textile business is also spreading in more countries across the world, leading to more earning of foreign money.

However, the **Indian textile** industry still needs to progress in the research and development of designs. The quality of raw materials also needs to be upgraded for the production of the best quality garments. Now, the textile industry contributes 5% to the GDP from domestic trade and 7% from foreign exports. However, these values are expected to increase this year, making this industry one of the leaders in the Indian economy.

## **Independent Auditors' Report**

### **To the Members of SK International Export Limited Report on the Financial Statements**

#### **Opinion**

We have audited the accompanying financial statements of **SK International Export Limited** ("the Company"), which comprise the Balance Sheet as at 31st March, 2022, the Statement of Profit and Loss and the Statement of Cash Flows for the year ended, and notes to the Financial Statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, the its loss and cash flows for the year ended on that date.

#### **Emphasis of Matter**

We draw attention to the following matters in the Notes to the financial statements Note No. 16. In our Opinion Inventory records were not adequately maintained by the Company, therefore the Inventory Valuation as on 31st March, 2022, could not be verified by us with reference to the requirement of AS-2 "Valuation of Inventories", and accordingly in the absence of adequate inventory records, we could not comment on the possible impact, if any, on Statement of Profit and Loss for the respective period ended on 31st March 2022 on account of short/ (excess) valuation of inventories. We have relied upon the valuation certificate provided by the Management of the Company.

Our Opinion is not modified in respect of above matter.

#### **Basis for Opinion**

We conducted our audit of the financial statements in accordance with the Standards on Auditing ("SA"s) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

### **Information Other than the Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance Report, and Shareholder Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

### **Management's Responsibility for the Financial Statements**

The Company's board of directors are responsible for the matters stated in section 134 (5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The board of directors is also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibility for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

- Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.
- We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
- From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on Other Legal and Regulatory Requirements**

Therefore, the provisions of clause (vi) of paragraph 3 of the Order is not applicable to the Company.

- (vii)
- a. The company is regular in depositing undisputed statutory dues, including Provident Fund, Employees' State Insurance, Income Tax, Sales-Tax, Service Tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues with appropriate authorities, where applicable. According to the information and explanations given to us, there are no undisputed amounts payable in respect of such statutory dues which have remained outstanding as at 31st March, 2022 for a period of more than six months from the date they became payable.
  - b. According to the records of the company, there are no dues outstanding of income-tax, sales-tax, service tax, duty of customs, duty of excise and value added tax on account of any dispute.

(viii) According to the information and explanations given to us, there exist no such transactions which were not recorded in the books of account have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).

(ix)

- a. The company has not defaulted in repayment of any dues to a financial institution, bank, and government during the period. The company has not borrowed any amount by way of debentures.
- b. The company is not declared as a wilful defaulter by any bank or financial institution or other lender during the period.
- c. Moneys raised by way of Term Loans were applied for the purpose for which the loan was obtained.
- d. Any funds raised by the company for short term purposes are not utilised for any long term purpose.
- e. The company has not taken any funds during the year from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.
- f. The company has not raised any such loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies.

(x)

- a. The company has not raised any money by way of Initial public offer or further Public offer (Including debt instruments) during the year.
- b. The company has not made any preferential allotment/ private placement of share or fully or partly paid convertible debentures during the year and accordingly provisions of clause (x) of Para 3 of the Order are not applicable.

(xi)

- a. On the basis of our examination and according to the information and explanations given to us, no fraud by the company or any fraud on the company by its officers/employees has been noticed or reported during the year.

- b. No such report under sub-section (12) of section 143 of the Companies Act has been filed by the auditors during the year in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.

## **Annexure II to the Independent Auditors' Report**

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act**

We have audited the internal financial controls over financial reporting of SK International Export Limited ("the Company") as at 31st March, 2022 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls**

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing issued by ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls over Financial Reporting**

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that:

- (a) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (b) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the company; and
- (c) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**SK INTERNATIONAL EXPORT LIMITED**  
**Notes to Financial Statements for the Year Ended March 31<sup>st</sup>, 2022**

**Note 1**  
**Notes to Financial Statements**

**Company Background**

The Company was incorporated on 13/09/2018. SK International Export Limited, The Company is engaged in the Garment Manufacturing Business. Company has been formed from conversion of Partnership Firm S.K. International (Export) Co.

**Significant Accounting Policies**

**1. Basis of preparation of financial statements**

**(a) Basis of Accounting:**

The financial statements have been prepared and presented under the historical cost convention, on the accrual basis of accounting in accordance with the accounting principles generally accepted in India ('Indian GAAP') and comply with the Accounting standards prescribed in the Companies (Accounting Standards) Rules, 2006 which continue to apply under Section 133 of the Companies Act, 2013 ('the Act') read with Rule 7 of the Companies (Accounts) Rules, 2014.

**(b) Use of Estimates:**

The preparation of financial statements in conformity with generally accepted accounting principles requires estimates and assumptions to be made that affect the reported amounts of assets and liabilities and disclosures of contingent liabilities on the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual result could differ from these estimates and the difference between actual results and estimates are recognized in the periods in which the results are known / materialize.

**(c) Current/Non-Current Classification:**

Any asset or liability is classified as current if it satisfies any of the following conditions:

- i. It is expected to be realized or settled or is intended for sale or consumption in the company's normal operating cycle;
- ii. It is expected to be realized or settled within twelve months from the reporting date;
- iii. In the case of an asset, it is held primarily for the purpose of being traded; or it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date;

iv. In the case of a liability, the company does not have an unconditional right to defer settlement of the liability for at least twelve months from the reporting date all other assets and liabilities are classified as non-current. For the purpose of current / non-current classification of assets and liabilities, the Company has ascertained its normal operating cycle as twelve months. This is based on the nature of services and the time between the acquisition of assets or inventories for processing and their realization in cash and cash equivalents.

## **2. Tangible and Intangible Assets**

### **(a) Tangible Fixed Assets**

Tangible fixed assets are carried at the cost of acquisition or construction, less accumulated depreciation/accumulated impairment. The cost of fixed assets comprises of its purchase price, including import duties and other non-refundable taxes or levies and any directly attributable cost of bringing the asset to its working condition for its intended use. Expenses directly attributable to new manufacturing facility during its construction period are capitalized. Know-how related to plans, designs and drawings of buildings or plant and machinery is capitalized under relevant tangible asset heads. Pursuant to the requirements under Schedule II of the Companies Act, 2013, the Company has identified and determined the cost of each component of an asset separately when the component has a cost which is significant to the total cost of the asset and has useful life that is materially different from that of the remaining asset. Profit or loss on disposal of tangible assets is recognized in the Statement of Profit and Loss. Tangible Fixed assets retired from active use and held for disposal are stated at the lower of their net book value and net realizable value and are disclosed separately under 'Other Current Assets'. Any expected loss is recognized immediately in the Statement of Profit and Loss.

### **(b) Intangible Assets**

Intangible assets acquired separately are measured on initial recognition at cost. Intangible assets arising on acquisition of business are measured at fair value as at date of acquisition. Following initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment loss, if any. Profit or Loss on disposal of intangible assets is recognized in the Statement of Profit and Loss.

### **(c) Capital Work in Progress & Capital Advances**

Cost of Assets not ready for intended use, as on the balance sheet date, is shown as capital work in progress. Advances given towards acquisition of fixed assets outstanding at each balance sheet date are disclosed as Short Term Loans & Advances.

### **(d) Depreciation and Amortization:**

Depreciation on tangible fixed assets is provided using the Straight Line Method based on the useful lives of the assets as estimated by the management and is charged to the Statement of Profit and Loss as per the requirement of Schedule II of the Companies Act, 2013. The estimate of the useful life of the assets has been assessed based on technical advice which considered the nature of the asset, the usage of the asset, expected physical wear and tear, the operating conditions of the asset, anticipated technological changes, manufacturers warranties and maintenance support, etc. Significant components of assets identified

separately pursuant to the requirements under Schedule II of the Companies Act, 2013 are depreciated separately over their useful life. The residual value, useful life and method of depreciation of an asset is reviewed at each financial year end and adjusted prospectively

#### **(e) Impairment**

At Balance Sheet date, an assessment is done to determine whether there is any indication of impairment in the carrying amount of the Company's assets. If any such indication exists, the asset's recoverable amount is estimated. An impairment loss is recognized whenever the carrying amount of an asset exceeds its recoverable amount. An assessment is also done at each Balance Sheet date whether there is any indication that an impairment loss recognized for an asset in prior accounting periods may no longer exist or may have decreased. If any such indication exists the asset's recoverable amount is estimated. The carrying amount of the fixed asset is increased to the revised estimate of its recoverable amount but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognized for the asset in prior years. A reversal of impairment loss is recognized in the Statement of Profit and Loss for the year. After recognition of impairment loss or reversal of impairment loss as applicable, the depreciation charge for the fixed asset is adjusted in future periods to allocate the asset's revised carrying amount, less its residual value (if any), on straight line basis over its remaining useful life.

### **3. Revenue Recognition**

Revenue from sale of goods is recognized on transfer of all significant risks and rewards of ownership to the buyer. The amount recognized as sale is exclusive of sales tax/VAT/GST and is net of returns & discounts. Sales are stated gross of excise duty as well as net of excise duty (on goods manufactured and outsourced), excise duty being the amount included in the amount of gross turnover. The excise duty related to the difference between the closing stock and opening stock is recognized separately as part of changes in inventories of finished goods, work in progress and stock in trade. Revenue from service is recognized as per the completed service contract method. Processing income is recognized on accrual basis as per the contractual arrangements. Dividend income is recognized when the right to receive payment is established. Interest income is recognized on the time proportion basis.

### **4. Lease Accounting**

#### **Assets taken on operating lease:**

Lease rentals on assets taken on operating lease are recognized as expense in the Statement of Profit and Loss on straight line basis.

### **5. Inventory**

(a) Raw materials, work in progress, finished goods, packing materials, stores, spares, components, consumables and stock-in-trade are carried at the lower of cost and net realizable value. However, materials and other items held for use in production of inventories are not written down below cost if the finished goods in which they will be incorporated are expected to be sold at or above cost. The comparison of cost and net realizable value is made on an item-by item basis. Damaged, unserviceable and inert stocks are valued at net realizable value.

(b). In determining cost of raw materials, packing materials, stock-in-trade, stores, spares, components and consumables, weighted average cost methods used. Cost of inventory comprises all costs of purchase, duties, taxes (other than those subsequently recoverable from tax authorities) and all other costs incurred in bringing the inventory to their present location and condition.

(c) Cost of finished goods and work-in-progress includes the cost of raw materials, packing materials, inappropriate share of fixed and variable production overheads, excise duty as applicable and other costs incurred in bringing the inventories to their present location and condition. Fixed production overheads are allocated on the basis of normal capacity of production facilities.

## **6. Investments**

Investments are classified into current and long-term investments. Investments that are readily realizable and intended to be held for not more than a year from the date of acquisition are classified as current investments. All other investments are classified as long-term investments. Current investments are stated at the lower of cost and fair value. The comparison of cost and fair value is done separately in respect of each category of investments. Long-term investments are stated at cost. A provision for diminution in the value of long-term investments is made only if such a decline is other than temporary in the opinion of the management. Reversal of such provision for diminution is made when there is a rise in the value of long term investment, or if the reasons for the decline no longer exist. On disposal of an investment, the difference between its carrying amount and net disposal proceeds is recognized in the Statement of Profit and Loss.

## **7. Transactions in Foreign Currency**

### **(a) Initial recognition:**

Transactions in foreign currencies entered into by the Company are accounted at the exchange rates prevailing on the date of the transaction. Exchange differences arising on foreign exchange transactions settled during the year are recognized in the Statement of Profit and Loss.

### **(b).Measurement of foreign currency items at the Balance Sheet date:**

Foreign currency monetary items of the Company are restated at the closing exchange rates. Non-monetary items are recorded at the exchange rate prevailing on the date of the transaction. Exchange differences arising out of these translations are recognized in the Statement of Profit and Loss.

### **(c).Forward exchange contracts:**

The Company had not entered into any forward exchange contracts to hedge against its foreign currency exposures relating to the underlying transactions and firm commitments. The Company had not entered into any derivative instruments for trading or speculative purposes.

## **8. Trade receivables**

Trade receivables are stated after writing off debts considered as bad.

## **9. Employee Benefits**

### **A. Short Term Employee Benefits:**

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits and they are recognized in the period in which the employee renders the related service. The Company recognizes the undiscounted amount of short term employee benefits expected to be paid in exchange for services rendered as a liability (accrued expense) after deducting any amount already paid.

### **B. Post-employment benefits:**

#### **(a) Defined contribution plans :**

Defined contribution plans are employee state insurance scheme and Government administered pension fund scheme for all applicable employees and superannuation scheme for eligible employees. The Company's contribution to defined contribution plans are recognized in the Statement of Profit and Loss in the financial year to which they relate.

#### **(b) Defined benefit plans**

##### **Provident fund scheme**

The Company makes specified monthly contributions towards Employee Provident Fund scheme, for the eligible employees.

##### **Gratuity scheme**

Gratuity is payable to all eligible employees of the company on retirement, death, permanent disablement and resignation in terms of the provisions of the Payment of Gratuity Act 1972, or company's scheme whichever is more beneficial. In current year company has recognized Rs. 1.17 Lacs as expense in the Profit and Loss account, based on the Certificate issued by Actuaries.

## **10. Research and Development**

Research and Development expenditure of a revenue nature is expensed out under the respective heads of account in the year in which it is incurred. Fixed assets utilized for research and development are capitalized and depreciated in accordance with the policies stated for Tangible Fixed Assets and Intangible Assets.

## **11. Provision for Taxation**

Tax expense comprises of current tax (i.e. amount of tax for the period determined in accordance with the Income Tax Act, 1961) and deferred tax charge or credit (reflecting the tax effects of timing differences between accounting income and taxable income for the period).The deferred tax charge or credit and the corresponding deferred tax liabilities or

assets are recognized using the tax rates that have been enacted or substantively enacted by the Balance Sheet date. Deferred tax assets are recognized only to the extent there is reasonable certainty that the assets can be realized in future; however, where there is unabsorbed depreciation or carry forward loss under taxation laws, deferred tax assets are recognized only if there is a virtual certainty of realization of such assets. Deferred tax assets are reviewed as at each Balance Sheet date to reassess realization.

## **12. Provisions and Contingencies**

The Company creates a provision when there exists a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not require an outflow of resources. When there is possible obligation or a present obligation in respect of which likelihood of outflow of resources is remote, no provision or disclosure is made.

## **13. Earnings per Share**

The Basic and Diluted Earnings per Share ("EPS") is computed by dividing the profit after tax for the year by weighted average number of equity shares outstanding during the year.

## **14. Borrowing Cost**

Borrowing cost includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Borrowing costs, if any, directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized. All other borrowing costs are expensed in the period they occur.

## **15. Cash and Cash Equivalents**

Cash and cash equivalents include cash and cheques in hand, bank balances, demand deposits with banks and other short-term highly liquid investments where the original maturity is three months or less.

## **16. Government Grants and Subsidies**

The Company is not entitled to any subsidy from government authorities in respect of manufacturing units located in specified regions: Grants in the nature of subsidy which are nonrefundable are credited to the Statement of Profit and Loss, on accrual basis, where there is reasonable assurance that the Company will comply with all the necessary conditions attached to them. Grants in the nature of subsidy which are refundable are shown as Liabilities in the Balance Sheet.

## **17. Measurement of EBITDA**

The Company has opted to present earnings before interest (finance cost), tax, depreciation and amortization (EBITDA) as a separate line item on the face of the Statement of Profit and

Loss for the year. The Company measures EBITDA on the basis of profit/ (loss) from continuing operations.

## **18. Segment Reporting**

### **i) Business Segment**

- a. The business segment has been considered as the primary segment.
- b. The Company's primary business segments are reflected based on principal business activities, the nature of service, the differing risks and returns, the organization structure and the internal financial reporting system.
- c. The Company's primary business comprises of manufacturing & supply of re-active power compensation systems, harmonic filters & other engineering goods and since it is the only reportable segment as envisaged in Accounting Standard 17. 'Segment Reporting'. Accordingly, no separate disclosure for Segment Reporting to be made in the financial statements of the Company.

### **ii) Geographical Segment**

A geographical segment is a distinguishable component of an enterprise that is engaged in providing products or services within a particular economic environment and that is subject to risks and returns that are different from those of components operating in other economic environments. The company provides products or services only through single establishment. Accordingly, no separate disclosure for Segment Reporting to be made in the financial statements of the Company.

19. The Company has recognized deferred tax arising on account of timing differences, being the difference between the taxable income and accounting income, that originates in one period and is capable of reversal in one or more subsequent period(s) in compliance with Accounting standard (AS 22) - Accounting for Taxes on income.
